Product Update Notice

AES Interactive and Compass 2.0 Services (Product based on 3rd Party Component)

AES has completed the certification process and confirmed the following alarm panels are fully operational with Interactive Services and Compass 2.0.x software:

- Vista10P
- Vista128BP
- Vista15P
- Vista20P
- Vista21IP

AES will continue certifying other panels as requested by customers and will add notifications for additional alarm panels as required.

Instructions for how to upgrade your firmware will be provided.

For more information, please contact your local AES Sales Representative or Technical Support:
