User Guide

EXTRACTING INDIVIDUAL FILES FROM DOWNLOAD

- 1. Open "File Explore"
- 2. Select "Downloads"
- 3. Select and Right Click on the file ending with ".tar.gz"
- 4. Select "7-Zip"
- 5. Click on "Open Archive"

6. You will see the following screen open with AES subscriber version:

Z C:\Users\jcardenas\Downloads\7007_Convert_v6.2.02.4198.tar.gz\

File	Edit	View	Far	vorites	Tools	Help
